

MONTY

MEMORY MATCH

Get an adult to help you cut out the Monty cards below. Place them character side down on a flat surface and mix them up. Take turns turning over two cards each, trying to find matching pictures. If you find a match, collect those cards and have another turn. If you don't find a match, turn the cards back over and the next player takes their turn. The player with the most matched pairs at the end of the game is the winner.
